About

Name: Rupert

Price: Free (with ads)

Genre: Platformer

Platform: Android

Release date: April / 2017

Description:

Guide Rupert through his quest to retrieve a mysterious object stolen from his friend.

Controlling Rupert is simple and different from other mobile experiences. There are no attacks or weapons, just use your ability and logic to avoid being hit and complete the scenarios.

Inspired by the games in 16bits era, all its simplicity makes any type of player delight and feel challenged.

With an online score system (provided by Google Play Games) you can play with your friends and try to be the best among them.

Features

- **10 scenarios** with different challenges
- **Various enemies**
- **Hidden objects** for experienced players
- **Simple to play**, just touch and hold your finger on the screen.
- **Online scoreboard**
- **Achievements**
- **Vintage Graphics**
